WHY MEN'S SHEDS?

1. We offer friendship and mutual support

- Men need a network of support that addresses their unique issues and concerns.
- We offer friendship and an ear to each other's ideas, concerns and travails.
- We offer a safe environment in which everyone is treated equally and with respect.

2. We contribute to the community

- The men's shed movement allows men to contribute back to the community.
- Some of the projects that we have undertaken have been the raised garden beds at the Almonte Public Library and Clayton Seniors Home, the refurbishing of the electrical boxes on the fairgrounds and the creation of bluebird house kits for the local young naturalists.

3. We give men purpose and a sense of self-worth

- Many senior men view retirement personally as forced unemployment.
- We offer an opportunity to share and learn from each other.

Friendship is the cornerstone of our existence.

Our Vision

To create a space where men can enjoy meeting, making friends, socializing and helping each other overcome or deal with any feelings of loneliness, isolation or depression.

Our Mission

To be an independent body at a physical location where men can regularly socialize, make friends, talk, share skills, network and find companionship with the primary purpose of supporting and enhancing personal well-being and health.

To form a supportive community (the NMS) that will allow members to feel that they are not alone when faced with life challenges that seem altogether too big for one person.

To preserve skills and interests which can be passed on from one man to another.

To create a social environment through informal get-togethers (impromptu and planned) for members to meet in a relaxed, happy and creative space where they can feel useful, have purpose and make a worthwhile contribution to the larger community.

Our History

We are one of several Sheds in Ontario and one of thousands worldwide.

We have been around since the Spring of 2018 and our name is thanks to the generosity of Dr. James Naismith's family. (of basketball fame)
